

EDC DECEMBER 2022 FEEDBACK

Workshop Evaluation Summary (EDC Pharma Client)

Date: Dec 02, 2022

Number of EDC Trainers: 5

Location: Dallas, TX

Total evaluations: 32 (HCPs)

*When asked “How would you rate today’s workshop,” 100% of the participants gave it a **5 out of 5** rating.

*When asked “How would you rate today’s instructor,” 100% of the participants gave them a **5 out of 5** rating.

Participants were asked “What did you find most valuable?” Verbatim responses:

1. The tips for questions and overall info on presenting was really helpful
2. Feedback! Area to focus on
3. Everything! I plan to use everything that was reviewed in the class!
4. Passion statement. Precise open-ended questions
5. Critique of presentations (live)
6. Learning new transition words and avoiding fillers was very beneficial. I also like learning about virtual tips & tricks and learning to use open-ended questions
7. Tips on how to practice writing transitions, tips on how to use open-ended questions for engagement
8. How to prevent fillers, how to relax body posture & prevent excessive gesturing
9. Learning how to transition between two slides
10. I love the whole program! I remember tips & tricks from last year, which was great! This year, I learned all the tips & tricks on connecting to the audience, transitions, pace, pausing, adding a story
11. The EDC Trainer was very relatable and kept things simplistic. Great session and refresher
12. The EDC Trainer was able to very impressively deliver speaking training. She was able to give us skills and tips and tricks to improve my skills. And troubleshooting techniques
13. Gaining more skills to have a powerful presentation
14. The EDC Trainer does a great job at making the environment comfortable and safe. This training helped me work on my presentations, be more mindful and feel comfortable
15. Awareness of my gestures, facial expressions, voice inflection and transitions
16. The breakdown of types of slides. Q&A how to address
17. What’s in it for me
18. Positive environment – the EDC Trainer created a space where we all wanted to learn. This trainer is amazing!
19. Be yourself
20. How to encourage the audience early on & continuing to engage through valuable questions. Also, how to project confidence & how to persuade the audience
21. Creation of a safe space and leaning into our natural tendencies to enhance our delivery.
22. Very relatable, has a way of reducing stress when I came in stressful.
23. Concise, direct, own the room. Very engaging & felt safe.
24. He had a way of showing us our natural confidence – so empowering.

EDC DECEMBER 2022 FEEDBACK

Participants were asked “What did you find most valuable?” Verbatim responses con’t:

25. Style of presentation with overview, details, and bottom line. Also needs for shortening sentences.
26. Preparation for my own presentation O/D/B, transition help. Tricks to handle difficult participants and distractions.
27. The EDC Trainer made an otherwise uncomfortable experience feel safe, productive, and gave us the opportunity for growth and to feel empowered as we present.
28. The EDC Trainer made us feel so comfortable we were truly able to learn and build on our skills, such a positive experience.
29. Prep and tell a story.
30. The tips/tricks shared. Storytelling.
31. The EDC Trainer had some amazing tips with segue to the next topic & directing the audience.
32. She took our initial questions and tailored the day to answer them. This was so helpful and the things we learned this year are different and new from last year.

Participants were asked “How did the workshop compare to others you’ve attended?”
Verbatim responses:

1. I attended the workshop last year and I enjoyed reflecting on where I am as compared to the last one. Thank you!
2. Beyond helpful. I have never had or attended speaking workshop. Great info, feedback & practice exercises.
3. Exceeded!
4. This year’s workshop was a wonderful addition to the skills I learned last year. This training is beneficial to sharpen and polish my speech giving skills.
5. Excellent instructor – great tips.
6. This EDC session was not only just as great as last year, but even better!
7. This is so beneficial on continued practice & polish my skills.
8. This is my first workshop like this. But the information was great and something that will be very helpful to me in the future. The speaker was very engaging and passionate.
9. NA
10. This is the only one I’ve been to. I love it! It’s amazing.
11. I’ve only had 1 additional EDC class. Both were great.
12. Even better. There was a lot more tips & tricks offered that can directly relate to real world experiences.
13. NA – I haven’t attended others.
14. The only other speaker training I have attended was conducted by this EDC Trainer. Both of these were so helpful and I have skills I can take with me into my practice.
15. NA
16. It’s my first
17. Experience.
18. The EDC Trainer did a great job encouraging everyone!
19. It was a safe space.
20. The EDC Trainer was amazing. This class was provided in a safe environment that made it easy to learn.

EDC DECEMBER 2022 FEEDBACK

Participants were asked “How did the workshop compare to others you’ve attended?”
Verbatim responses con’t:

21. Amazing! The group made much progress and learned a lot on how to feel comfortable presenting. Would love to have him as my facilitator/coach next time.
22. This has been the best one yet.
23. Very thorough and best one I learned quite a lot about presentation skills.
24. This EDC Trainer was the best. This is my 3rd or 4th class and by far this was my most beneficial session.
25. Best EDC workshop by far! It included skills I need and will use in my everyday practice.
26. Fun! Safe space.
27. This is one of the first and I found it informative and helpful with improving my presentations and my presentation style.
28. I stayed engaged from start to finish.
29. Informative.
30. Organized, engaging.
31. Very organized and well thought out.
32. I got to have this EDC Trainer last year and she is excellent! She makes it fun, not intimidating and truly impactful.
